Access to venue & parking

See the map on the inside back-cover for location. Follow local AA sign-posting. Enter by the main entrance and follow directions of car-park stewards. Those setting-down disabled persons or collecting room keys should go to the short-term car-park outside The Queen Mother Building (C1). Proceed then as directed to the appropriate long-stay car-park. Only those staying on campus may use the Residents Car Park and will receive a permit to display on their dash-board.
