### Correspondence Courses

Further study for the BBKA examinations can be very satisfying but for some people, attending day or evening classes is not convenient. Correspondence courses are a form of distance learning enabling you to study beekeeping while working at your own pace. An arrangement will be made with a qualified tutor for you to send written answers to set questions that are designed to take you step by step through the syllabus. When you are ready, application to take the appropriate examination is made as above.

For further details contact the Correspondence Course Secretary Chris Utting at 'Codden', Golf Links Road, Westward Ho!, Bideford, North Devon, EX39 1HH. Tel: 01237 474500 or
